

Missouri's Area Agencies on Aging bring together a circle of services and contract partners

Support for the **Senior Services Growth and Development Bill** strengthens:

- Senior centers and numerous points of contact
- Care coordination and information assistance
- Contract capacity for service providers
- Senior nutrition and wellbeing
- *Overall health, wellness, and safety of seniors in the circle of solutions*

**We've built the foundation to
strengthen independence at home.**

Help Keep Area Agencies on Aging Strong.

Missouri's Seniors Deserve a Piece of the Pie

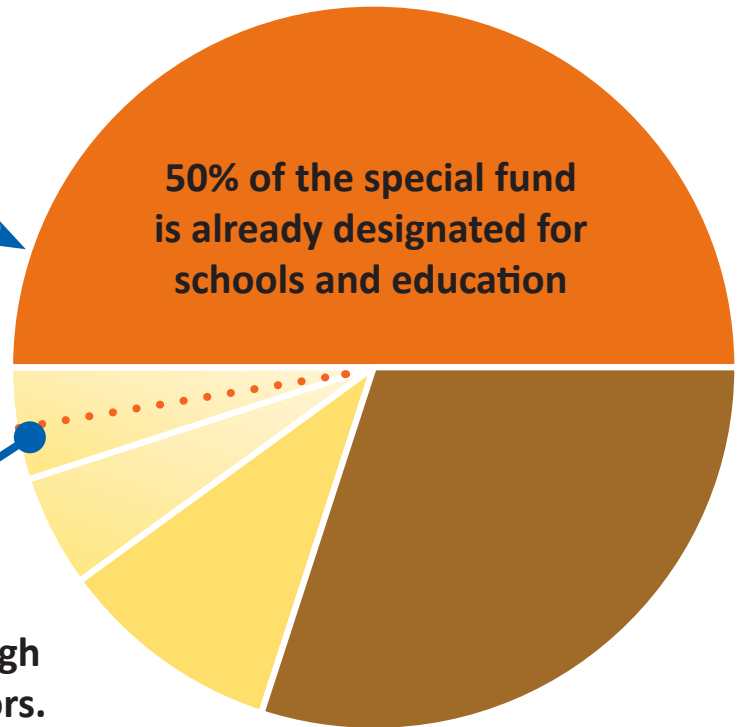

SB 192 / HB 540

100% of premiums
collected by
Missouri
insurance
companies

2% of these premiums go into a
special fund for Missouri programs

50% of the special fund
is already designated for
schools and education

The Senior Services Growth and Development Bill

The Area Agencies on Aging (AAAs)
called for 20% for senior services through
senior centers, programs, and contractors.

In a difficult budget year, request was reduced to
10%. SB 192 passed the Senate Committee at 5%, phased in over 2 years.
