

Missouri's Seniors Deserve a Piece of the Pie

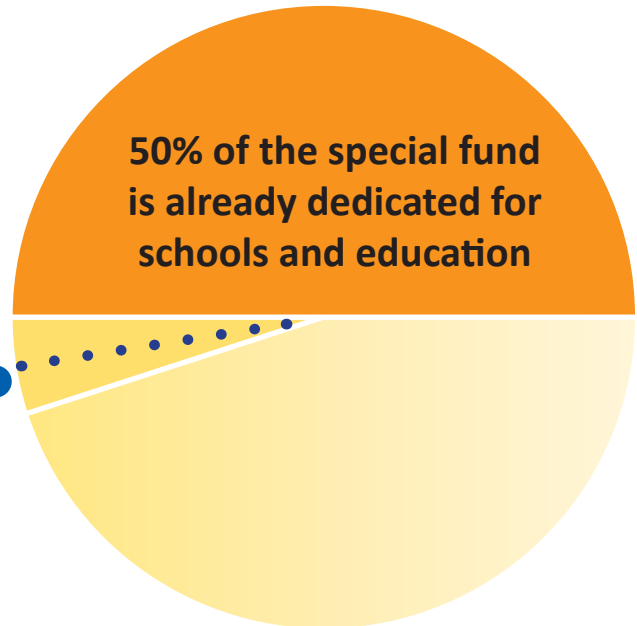

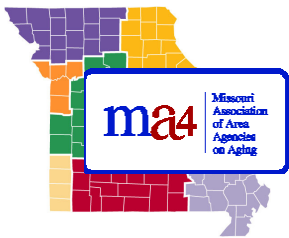

SB 86/ HB 337

100% of premiums collected by designated insurance companies doing business in Missouri

A 2% tax levied on selected insurance premiums are collected by the state and put into a special general revenue fund.

50% of the special fund is already dedicated for schools and education

The Senior Services Growth and Development Bill

The Area Agencies on Aging (AAAs) are asking that 5% (to be phased in over 2 years) be designated for senior services through senior centers, programs, and contractors.

Help Keep Area Agencies on Aging Strong.
